

Affordability of Martinez, CA

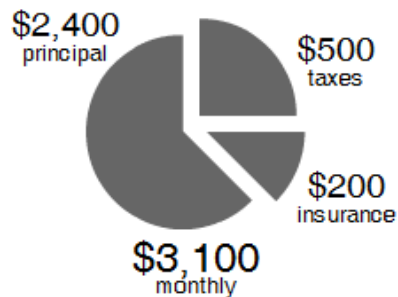

Median Price: \$499,000	
Down: \$20,000	<input checked="" type="radio"/> \$ <input type="radio"/> %
Loan: \$479,000	
Interest: 3.25%	30 yr <input type="button" value="v"/>
<input type="button" value="Calculate"/>	<input type="button" value="Get prequalified"/>

Widget title based on currently searched location. If none, then last viewed.

Mortgage Calculator

List Price: \$499,000	
Down: \$20,000	<input checked="" type="radio"/> \$ <input type="radio"/> %
Loan: \$479,000	
Interest: 3.25%	30 yr <input type="button" value="v"/>
<input type="button" value="Calculate"/>	<input type="button" value="Get prequalified"/>

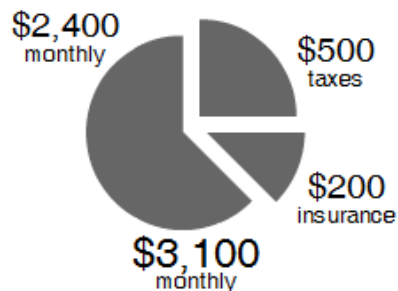

When on Prop Detail use List Price instead of Median Price.

Set widget title per Admin UI. Default is "Mortgage Calculator"

(Color shown is for highlight purposes)

Affordability of Martinez, CA

Median Price: \$499,000	
Down: 10%	<input type="radio"/> \$ <input checked="" type="radio"/> %
Loan: \$449,100	
Interest: 3.25%	30 yr <input type="button" value="v"/>
<input type="button" value="Calculate"/>	<input type="button" value="Get prequalified"/>

When on all other pages use the location and Median Price from the last search. Also use the options set in the Admin UI - Down, Interest, Term.
